

## Reception and Year 1 phased return update

Dear Parent/Carer

You will be aware that this week (beginning Monday 22nd June), we have welcomed back children from year groups Reception and Year 1 using a phased approach. We were delighted to see the children who attended school during this time.

We have conducted a review of our 'bubble' organisation after considering attendance this week. As a result of the numbers of children attending school across both Reception and Year 1, we experienced situations in which some bubbles only had one child. This is unsustainable, as it is not in the best interest of any child to be alone in a bubble every day.

After careful consideration of this review, and changes in Government guidelines we have restructured our bubble system.

## Bubble structure as of 29<sup>th</sup> June 2020

We have created these 'bubbles' based on information given by parents stating that they wished for their child to return to school, and attendance to school during week beginning 22<sup>nd</sup> June.

Please may we remind you that, in line with our phased return, school will be open to all 'bubbles', **mornings only**, during week beginning **29<sup>th</sup> June**.

Reception drop off 9AM and pick up 12:15PM

Year 1 drop off 8:45AM and pick up 12:30pm

From **6<sup>th</sup> July**, school will be open from 8:45AM -3PM for year groups Reception and Year 1.

Reception drop off 9AM pick up 2:45PM

Year 1 drop off 8:45AM pick up 3PM

If you are only planning on sending your child/ children to school on selected days each week, it would be very helpful if you could let the school office know which days your child will be attending at the beginning of each week. In this way our teaching staff can set up their classrooms to appropriately to provide for the correct number of children.

Please be aware that we will still provide provision for key worker children on a full time basis as we have done since schools were partially closed in March. However, after 29<sup>th</sup> June, children in year groups Reception and Year 1 will not be able to move between their class bubble and the key worker group.

We would like to thank you for your patience and understanding during this unprecedented time.

Ms M. Armstrong
