Some adjustments needed to be made to the original plan as it created peak times where social distancing was a challenge. We have refined the plan and hopefully, it will be simpler.

Families will be allowed onto the yard to wait for other siblings. They will need to socially distance and create their own social bubble. If adults feel safer, they may wear masks/face shields on our site. Families with children in Nursery, Reception, Y1 or Y2 will need to be aware of the timings in case there are any delays getting across to the main building. Families with children in Reception and Nursery ONLY may collect their child at 2:40 if they have a child in Y1 or Y2. The teachers will wait there until the next bubbles are due to leave. They will then head to the main office with any children who have not been collected.
