### Uplevelling Sentences

#### Family Love

1 Use some amazing adjectives to expand the noun phrases:  
The older girl  
held her younger brother's  
~~tiny~~ tiny hand.

2 Next, use a fronted adverbial to describe **when** this event happened:  
on the way home, the older girl  
held her little brother's tiny hand.

3 After that, add a relative clause beginning with **who** to give more information about the girl:  
the shop lady asked the beautiful  
girl, was as she took, held her  
little brother's tiny hand.

4 Finally, add a subordinate clause beginning with a subordinating conjunction which gives extra information about the reason that she held his hand:  
in the shop, the older  
girl, looked after and held, held her  
younger brother's tiny hand  
so he didn't run off.
