

Hoax; To have a big prank or joke. Spiteful; to be mean. It means that they ran along as quickly and quietly as possible. I think that she did believe that she could have made it home safely as she was cheerful when running to the door of the wardrobe .Edmund was making Lucy feel as if she was crazy and as if she had been being stupid and childish. I think that the white witch will escape from the wardrobe and try and steal Lucy herself.
