

Friday 6th December, 2023

Dear Parents and Carers,

Welcome Back!

Welcome back to a new Spring Term. It's still a bit chilly but not as bad as it was before Christmas and by the end of this term, we'll have more sunlight every day so we won't feel as though we're coming to school and going home in the darkness!

Mini Bus

Just before Christmas, we were delighted to find that our prayers were answered when a Crosby business owner made a large donation to our school so that we could purchase a mini-bus. The mini-bus is currently undergoing some works but we hope to have it onsite very soon. We are so grateful for this kind gesture which means that we can start to plan school trips which will be much lower in cost to yourselves. The bus is a 17 seater which means we still need to hire a second bus to take our children on school trips. If you know of any other local businesses who would like to make a donation towards the purchase of a second minibus, please contact the school office and we will be delighted to give them a copy of our donation form!

Diary

Please make a note of the dates for this half term; we hope to share class trip information in the next few weeks.

Uniform

Please don't forget that leather or patent leather shoes are the only shoes permitted in school. Trainers of any type should not be worn unless they are fully black and can be polished. Children will be given black school pumps if they are not wearing the correct footwear next week.

Below are some examples of 'school trainers' that would be permitted- these are just suggestions so you know the type of school trainer I mean.....you don't HAVE to get one these exact ones!
